

Reg. # Beef - 027

Horie Ranch (Kyotango City)

A ranch that carries on the traditions and preservation of Ukawa Beef in the local area

Farm location

Making good use of the cows' manure, we are producing pasture grass on a fallow rice field, which looks out over the San' in Kaigan Geopark.

The calves' exercise field

The calves grow up happily while playing in the spacious exercise field

Mr. and Mrs. Horie, who carry on the traditions of Ukawa Beef

The nearby monument commemorating 'the birthplace of Ukawa Beef' and our farm signboard
